REPORT

EVENT NAME: DRUG AWARENESS CAMP

DATE OF EVENT: 07.06.2023

COLLABORATION: Trichy City Police

A **Drug Awareness Camp** was organized on 07.06.2023 at Bishop Heber College, Trichy by Trichy City Police, aimed at educating individuals, especially the youth, about the harmful effects of drug abuse. The event was part of an ongoing initiative to spread awareness, promote a healthy lifestyle, and prevent the growing threat of substance abuse in society.

Objectives of the Camp

- To educate participants about various types of drugs and their harmful effects.
- To raise awareness about the psychological, physical, and social consequences of drug abuse.
- To encourage youth to make healthy and responsible life choices.
- To provide information on prevention strategies and support systems available for addicts.

Camp Highlights

- Inaugural Address: Thiru. K. Shankar
- Guest Lecture by Expert:
- Speaker: Dr. G. Karthikeyan, Trichy Government hospital.

Topics Covered:

- Types of commonly abused drugs
- Signs and symptoms of addiction
- Impact on mental and physical health
- Legal consequences of drug use
- Prevention, rehabilitation, and community support

Interactive Session:

- Participants actively engaged in Q&A and shared their thoughts.
- Poster Display / Skits : Awareness posters, street plays or skits by students to spread anti-drug messages.
- Pledge Ceremony: All participants took a pledge to stay away from drugs and support a drug-free environment.

Conclusion

- The Drug Awareness Camp was a significant step toward promoting a drug-free and healthy society. Through expert talks, interaction, and educational activities, the camp empowered participants with knowledge and the confidence to say no to drugs. The Police department plans to continue organizing such initiatives to reach wider audiences and build a stronger, safer community.

REPORT

EVENT NAME: BLOOD DONATION CAMP

DATE OF EVENT: 05.04.2023

COLLABORATION: Annal Gandhi Memorial Government Hospital , Trichy

A **Blood Donation Camp** was successfully organized on 05.04.2023 at Central Library by YRC, in collaboration with Annal Gandhi Memorial Government Hospital, Trichy. The camp aimed to promote voluntary blood donation and contribute to saving lives through collective community efforts.

Objectives

- To encourage voluntary and regular blood donation.
- To support local hospitals and blood banks in meeting demand.
- To raise awareness about the importance of blood donation.
- To cultivate a sense of social responsibility among participants.

Camp Highlights

- **Inaugural Ceremony**: The event was inaugurated by Dr. D. Srinivasan, Principal
- Registration and Screening: Donors were registered and underwent basic health checks including BP, hemoglobin, and weight assessments.
- Blood Donation: Blood was collected by a trained team of medical professionals under hygienic conditions.
- Refreshments and Certificates: Donors were provided refreshments and awarded appreciation certificates.
- Awareness Materials: Posters, banners, and pamphlets were displayed to inform attendees about the benefits of blood donation.

Participation and Outcome

- Total Units Collected: 55
- Number of Donors: 55
- First-Time Donors: 40
- Medical Staff Involved: 1 Doctor, 8 Nurses, 1 Blood Camp Officer, 2 Chemical Attenders.
- Volunteers: 12
- Many donors expressed their willingness to continue donating in the future and encouraged others to do the same.

Conclusion

- The Blood Donation Camp was a great success, meeting its goal of saving lives through community action. It created awareness, encouraged first-time donors, and demonstrated the power of collective effort. The YRC team expresses sincere gratitude to all donors, medical staff, and volunteers who made this event meaningful.

REPORT

EVENT NAME: AWARENESS PROGRAM FOR WOMEN

DATE OF EVENT: 21.03.2023

COLLABORATION: Police Officials, Samayapuram

An **Awareness Program for Women** was conducted on [insert date] at [insert venue] by the [insert name] Police Department. The primary objective of the program was to educate women and girls about their legal rights, self-defense techniques, and safety measures in everyday life. The initiative was part of the police department's ongoing mission to empower women and build safer communities.

Objectives

- To raise awareness about women's safety and legal rights.
- To educate participants on how to prevent and respond to harassment or violence.
- To build confidence and self-reliance among women and girls.
- To encourage open dialogue between women and law enforcement.

Program Highlights

- **Inaugural Address:** The session began with a welcome address by Mr. N. R. Nagarajan, YRC Program Officer, followed by opening remarks by senior police officials.
- **Expert Talks:**
  - **Topic 1:** Women's Legal Rights and Cyber Safety
    - Covered laws under IPC, POSH Act, Domestic Violence Act, etc.
  - **Topic 2:** Self-Defense and Practical Safety Tips
    - Live demonstration by trained police personnel
  - **Topic 3:** Emergency Helpline Numbers and How to Use Them
- **Interactive Session:** Participants were encouraged to ask questions and share experiences.
- **Distribution of Pamphlets:** Informative materials on safety tips, helpline numbers, and key laws were handed out.
- **Pledge:** Participants took a pledge to stand against violence and support fellow women in need.

Participation and Response

- **Total Participants:** 80
- **Target Group:** II Year Girl Students
- **Police Personnel Present:** Samayapuram Sub Inspector
- The audience showed great enthusiasm and engaged actively throughout the session.
- Many appreciated the efforts of the police department in organizing such an informative and empowering program.

Feedback and Outcome

- The program was well-received by all attendees.
- Participants felt more informed and confident about how to handle potentially unsafe situations.
- The session helped strengthen the relationship between the police and the community.

Conclusion

The **Awareness Program for Women** conducted by the Samayapuram Police Department was a successful initiative toward women empowerment and safety. It fostered awareness, encouraged self-confidence, and promoted a culture of vigilance and solidarity among women. The organizing team thanks all speakers, participants, and police officials who contributed to making the event impactful.

REPORT

EVENT NAME: HEALTH CHECK UP CAMP

DATE OF EVENT: 16.02.2023

COLLABORATION: Primary health centre, samayapuram

A **General Health Check-up Camp** was successfully organized on 16.02.2023 at Central Library by YRC in association with Primary Health Centre, Samayapuram. The primary objective of this camp was to promote preventive healthcare and raise awareness about the importance of routine health check-ups for early detection of potential health issues.

Objectives

- To provide free general health screening to the faculty.
- To create awareness about common health problems and lifestyle diseases.
- To promote the habit of regular health monitoring.
- To offer medical consultation and basic treatment advice from qualified professionals.

Camp Highlights

- **Registration:** All participants were registered and given a basic health form.
- **Health Screenings Included:**
  - Blood Pressure Check
  - Blood Sugar Test
  - BMI (Body Mass Index) Calculation
  - Eye and Dental Check-up (if applicable)
  - General Physician Consultation

- **Doctors and Staff Present:** 2 Doctors, 6 Nurses, 1 Health Camp Officer
- **Health Awareness Session:**
  - Brief talk by doctors on lifestyle diseases such as diabetes, hypertension, and obesity.
  - Distribution of health pamphlets and diet charts.

Participation and Response

- **Total Beneficiaries:** 180
- **Demographic:** Faculty members
- **Positive Feedback:** Many participants appreciated the opportunity for a free, professional check-up and asked for more such initiatives in the future.

Observations

- Some participants were found with high BP or sugar levels and were advised follow-up care.
- A number of attendees were unaware of their health conditions and benefited from early alerts.
- The need for further awareness on nutrition and exercise was highlighted.

Conclusion

The **General Health Check-up Camp** was a valuable initiative that successfully served its purpose of early detection and health awareness. It emphasized the importance of preventive care and demonstrated the role of community-based health services. YRC extends heartfelt thanks to the medical team, volunteers, and all participants for making the camp a success.

REPORT

EVENT NAME: AWARENESS PROGRAM FOR CLEANLINESS

DATE OF EVENT: 07.02.2023

COLLABORATION: Indian institute of tourism and travel management (IITM)

An **Awareness Program for Cleanliness** was successfully conducted on 07.02.2023 at Samayapuram Temple by YRC volunteers. The initiative aimed to educate participants about the importance of cleanliness and hygiene, and to encourage responsible behavior towards maintaining a clean and healthy environment.

Objectives

- To create awareness about personal and public cleanliness.
- To promote the principles of **Swachh Bharat Abhiyan** and sustainable cleanliness practices.
- To instill good habits such as waste segregation, recycling, and regular cleaning.
- To involve the community in keeping their surroundings clean.

Program Highlights

- **Inaugural Speech:** Delivered by Mr. N. R. Nagarajan, YRC Program Officer, highlighting the significance of cleanliness in daily life.
- **Guest Talk:**
  - **Speaker:** Dr. D. Srinivasan, Principal
  - **Topics Covered:**
    - Impact of cleanliness on health and well-being
    - Proper waste disposal techniques
    - Role of students/youth/citizens in community sanitation

    - Government initiatives like Swachh Bharat Mission
- **Demonstration/Activity:**
    - Cleanliness drive in and around the campus/local area
    - Poster-making/skit/slogan competition on cleanliness theme
    - A skit and a group dance based on Swachh cleanliness initiative
- **Pledge:** All participants took a cleanliness pledge to maintain hygiene and spread awareness.

Outcome and Impact

- The program successfully enhanced awareness about the importance of a clean environment.
- Participants were motivated to adopt better hygiene habits.
- The cleanliness drive led to immediate visible improvement in the surroundings.
- Plans were discussed for regular follow-up activities and monthly clean-up drives.

Conclusion

The **Awareness Program for Cleanliness** was a meaningful initiative to inspire responsible and sustainable habits among the participants. It not only informed but also involved people in action, emphasizing that change begins with oneself.

REPORT

- Volunteers Involved:15
- Medical Staff Present: 1 ophthalmologists, 3 optometrists, 1 general consultant, 1 PRO

Feedback and Observations

- The camp received a positive response from the community.
- Many students and elderly individuals benefitted from early detection of eye problems.
- The need for regular eye check-ups was emphasized during the awareness session.

Conclusion

The Eye Check-up Camp was a great success and served its purpose of creating awareness and offering accessible eye care services. It highlighted the importance of preventive eye health and received enthusiastic participation from the community. The organizing team extends heartfelt thanks to all medical staff, volunteers, and participants who made the camp successful.

REPORT

EVENT NAME: RALLY ON DRIVE AGAINST DRUGS

DATE OF EVENT: 18.08.2022

COLLABORATION: UBA

A **Drug Awareness Human Rally** was organized on 18.08.2022 by YRC to raise awareness about the harmful effects of drug abuse and to promote a drug-free society. The rally aimed to involve students, youth, and the community in standing against substance abuse through public participation and collective voice.

Objectives

- To educate the public about the dangers and consequences of drug use.
- To promote a healthy, addiction-free lifestyle, especially among youth.
- To demonstrate solidarity in the fight against drug abuse.
- To spread awareness through slogans, placards, and active participation.

Rally Highlights

- **Flag-Off:** The rally was flagged off by Mr. T. Muruganantham, UBA head, KRCE, Samayapuram.
- **Participants:** 45
- **Route Covered:** Nerkuppai
- **Materials Used:** Participants carried banners, posters, and placards with slogans such as:
  - *"Say No to Drugs, Say Yes to Life"*
  - *"Be Smart, Don't Start"*

- *"Your Future Matters – Stay Drug Free"*

- **Sloganeering:** Students raised powerful slogans and chants to spread the message.
- **Awareness Distribution:** Pamphlets and flyers were distributed to bystanders and local shops.
- **Street Play** A short skit or street play was performed to emphasize the message.

Conclusion

The **Drug Awareness Human Rally** was a resounding success in mobilizing public attention toward the growing issue of drug abuse. It sent a strong message about the importance of making healthy life choices and staying away from addictive substances. YRC thanks all participants, volunteers, and supporters for their enthusiasm and commitment to a drug-free future.

REPORT
